## Grade 2 – Summer Holiday Homework

---

(The summer holiday homework is also available on school website ie. [www.oiiis.in](http://www.oiiis.in))

To be ready for tomorrow's opportunities, do your homework today. Learn, refine your skills and focus on your growth.

Dear Students,

Summer has arrived and brought with it you're amazing and fun-filled holidays. Summer break is a well-deserved opportunity to relax and unwind by indulging in various activities. Your Holiday Homework has been specially designed for you to be creative, innovative and imaginative while completing your tasks. It will also enable you to recapitulate what was taught in the classrooms. We hope you will play, learn, research, analyze, experiment, imagine, think, value, appreciate and above all enjoy during your holidays.

Wishing you happy holidays!

### Instructions for the students:

- Do your holiday homework in a notebook / file folder.
- Mention date and day when you do your work.
- Use your creativity and imagination wherever required,
- The last date of submitting the holiday homework after three days of school re-opens.

## English

**Reading:** Read one page from your text book daily

- Write 5 new words and their meanings.

**Handwriting:** Practice one page of cursive writing daily.

**Grammar Practice:**

## Urdu

مطالعہ: ہر ہفتے ایک کہانی پڑھیں

تحریر:

- میرا گھر پر ۵ جملے لکھیں۔

- - میری چھٹیاں پر ۵ جملے لکھیں

مشک:

- پھلوں اور سبزیوں کے نام اردو میں لکھیں۔

- - روزانہ ایک صفحہ خوشخطی لکھیں

## Mathematics

Practice:

- Write numbers from 1 to 200.
- Practice addition and subtraction (2-digit numbers).
- Learn multiplication tables 2 to 13

Activity:

- Count household objects (forks, pencils, cups) and create a tally chart.
- Draw 5 different shapes and write their names.
- Make a number chart.

## EVS (Environmental Studies)

Writing & Drawing:

- Draw your family and label members.
- Make a chart of healthy and unhealthy food.
- Paste leaves from 3 different trees and write their names.

Topics to Learn:

- Parts of the body
- My neighborhood
- My Need Shelters

## Computer

Here's a fun and simple worksheet to help you remember what you've learned in Computer Science.

### 1. Match the Following

Match the computer parts with their correct names:

- |             |                          |
|-------------|--------------------------|
| A. Monitor  | 1. Helps you type        |
| B. Mouse    | 2. Displays the screen   |
| C. Keyboard | 3. Click and point       |
| D. CPU      | 4. Brain of the computer |

### 2. Color and Label

Color the picture of a computer below and label the parts:

(Monitor, CPU, Keyboard, Mouse)

[Place for image – teacher/parent may print or draw a computer setup]

### 3. Fill in the Blanks

1. The \_\_\_\_\_ helps us see pictures on a computer.
2. We use the \_\_\_\_\_ to type letters.
3. \_\_\_\_\_ is used to click and select items.
4. The brain of the computer is called \_\_\_\_\_

### 5. Circle the Odd One Out

Circle the item that does not belong in each group:

1. Monitor, Mouse, Banana, CPU
2. Keyboard, Apple, Printer, Mouse

### 6. Draw and Name:

Draw a computer and label its parts: Monitor, CPU, Mouse, Keyboard

### 7. Fun Holiday Activity

Ask an elder to help you:

- Open MS Paint and draw your favorite animal.
- Open Notepad and type your name and favorite color.

### Tips for Parents

- Encourage safe and supervised use of computers.
- Let your child explore typing or drawing software.

- Make learning digital skills fun and engaging!

**Theory:**

- Write 5 lines on: What is a computer?
- Name 5 parts of a computer and draw them.

**Activity:**

- Identify gadgets at home that use electricity.

☐ **Art and craft**

 1. Recycled Bottle Planter – Decorate a plastic bottle and plant a seed.

 2. Ice Cream Stick Photo Frame

**Materials:**

- Ice cream sticks
- Fevicol or glue
- Acrylic paints
- Decorative items (beads, buttons, glitter)
