SUMMER VACATION HOLIDAY HOMEWORK 2026

Dear Parents and Students,

Warm greetings from Our India International School, Kandhla, District Shamli, Uttar Pradesh!

Summer vacation is a wonderful opportunity for children to relax, refresh, and learn new things creatively. Holidays are not only for enjoyment but also for discovering knowledge, improving skills, and spending meaningful time with family.

This year, our summer holiday activities are thoughtfully designed to help students explore the rich culture, traditions, history, and beauty of Uttar Pradesh, especially our district Shamli, where our school proudly stands. Students will *learn about the cultural heritage, famous places, festivals, food, agriculture, and historical importance of our beautiful state.*

At Our India International School, we believe that learning should continue in a joyful and engaging manner even during holidays. Therefore, meaningful projects and assignments have been planned to strengthen academic understanding, creativity, and practical knowledge.

We kindly request parents to support and motivate their children in completing the assigned work neatly and sincerely. Your encouragement plays an important role in your child's growth and confidence.

We hope this vacation brings happiness, learning, and beautiful memories to every child.

Stay Safe, Stay Happy & Keep Learning!

Class Teacher
Ishrat

Principal
Muzaffar Hussain
